Multicultural Musings

### Topics and Areas of Expertise

- Multicultural Living
- Impact of Branding on the Expat Experience
- Comparing daily living in other countries

## Meet Michelle

Michelle Feneberg is a South African that has lived in Germany, UAE, China and now the USA. Her enormous curiosity has led her to interview people from different cultures on topics ranging from how they celebrate holidays through to childbirth in other countries. She is in a unique position to compare what we consider mundane daily living in different countries with surprising differences emerging from various cultures. She also has plenty of advice to share on the expat experience, and the joy of discovering familiar brands in the grocery store of a foreign culture. Michelle's talks are light hearted and designed to entertain
